Gov. DeWine has required all nonessential businesses to close effective 3/25/20 at 11:59 p.m. in order to help prevent further spread of the Coronavirus. He is saying at this time that we can reopen on April 6, 2020 which is what we plan on doing.

If you have placed an order with us, we are either still holding your furniture in our warehouse or if it was a special order, our suppliers are simply holding our orders in their factory and will ship them out to us as soon as we reopen.

If you have a customer service issue, we will address it and take good care of you as soon as we are told by Gov. DeWine we can reopen.

We are not permitted to have anyone in the building so we are not able to take your calls at this time, but will return your calls when we reopen, which Gov. DeWine is saying will be on April 6, 2020.

**Please support our business by shopping on our website, [jaysfurnituredirect.com](http://jaysfurnituredirect.com) were you can now place orders.** If you do a web chat, Lynn will chat with you between 9:00 a.m. and 9:00 p.m. If you send an email through our website, Lynn will reply back with pricing, etc. We are offering an additional 10% off for all web orders, please keep in mind the order will not be able to be delivered or picked up until we are allowed to reopen.

We have been in business for 56 years, so I assure you that you have nothing to worry about. We will be reopening as soon as Gov. DeWine lifts this requirement.

May God Bless you and your family, STAY SAFE !!!!!
